Guide to using Give as you live

GAYL is a system that enable you to donate to CRHT without cost to yourself. The companies in their list provide a small percentage (up to 3% with some travel/hotel companies) to CRHT when you buy something via the GAYL portal. Initially you need to set up an account with GAYL which entails giving your email address and assigning a password. When you have your account you can then shop to benefit CRHT. To access our donation system use our registered number 1174592 and follow the instructions. Typical screen shots below extracted from GAYL help guide.

How to sign up

1. Visit www.giveasyoulive.co.uk to sign up straight away and start supporting your chosen charity – simply click the sign up for free button.

2. You will then get directed to this page and you can choose a charity to support just by entering the name into the search bar, we have over 200,000 listed on site but if you're not sure we list our featured ones below for you to select from.

3. Once you have selected your chosen charity you need to complete the sign up fields, simply enter your details shown or if you want to sign up using your Facebook account you can do this too.

4. Once you've completed the sign up form a pop up message will be display you that will show you how to use the site. Once you've followed these steps you can carry on exploring the site and raising free funds for your selected charity.

How to Shop

1. Use the search bar along the top of your dashboard and search for retailer you want to shop with, e.g. amazon

2. You will then be sent to the retailer page, allowing you to see all the information about amazon including the donation rate and any vouchers or offer codes that may be available. Click shop now, and you'll be redirected straight to the homepage of amazon, so you can shop as normal.

Money raised is directed to the CRHT bank account and the amounts are logged so that we can see if the scheme is effective for us.
